The Life Course of Lupus

From Birth to Adulthood with Lessons Learned from the Bench

A conference for pediatric and adult nephrologists and rheumatologists, nurses, fellows, residents, students and other health care professionals with an interest in systemic lupus erythematosus and lupus nephritis.

Description & Objectives

According to the NIH "Action Plan For Lupus Research", systemic lupus erythematosus (SLE) is considered the "most heterogeneous of the autoimmune diseases, and is one of the most difficult to understand and treat."

SLE predominantly affects women of reproductive age, can affect most organ systems, and can cause a multitude of complications, differing from patient to patient. The involvement of the kidneys (lupus nephritis, LN) significantly worsens the overall outcome of the patient with SLE. Progression to end-stage renal disease (ESRD) is associated with increased morbidity and mortality and significantly shorter life span. In order for patients with ESRD from LN to be able to receive a kidney transplant, their disease needs to be quiescent to reduce the risk of recurrence of disease in the allograft, but the achievement of disease quiescence is difficult and the necessary duration of the time period is unknown. Expert faculty will present the most current research, issues, and practice recommendations to support clinicians in the care of their SLE or LN patients.

By the conclusion of this program, attendees should be able to:

- Assess the current basic and translational research efforts and the role of biomarker discovery in SLE and LN
- Identify the kidney biopsy findings in LN as well as know their prognostic value
- Review the morbidities associated with maternal SLE in newborns
- Identify the pathophysiologic mechanisms involved in childhood SLE
- Analyze the clinical factors leading to disease progression in LN and the risk of disease recurrence in kidney transplant recipients
- Discuss the difference in treatment plans at diagnosis, during maintenance therapy and with quiescent disease in LN as well as be familiar with consensus treatment plans

ACCREDITATION This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Albert Einstein College of Medicine and the Kidney & Urology Foundation of America. The Albert Einstein College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Before the program, all faculty will disclose the existence of any financial interest and/or other relationship(s) (e.g. employee, consultant, speaker's bureau, grant recipient, research support, stock ownership or any other special relationship) they might have with: a) the manufacturer(s) of any commercial product(s) to be discussed during their presentation and/or; b) any commercial contributor to this activity. When unlabeled uses are discussed, these will also be indicated.

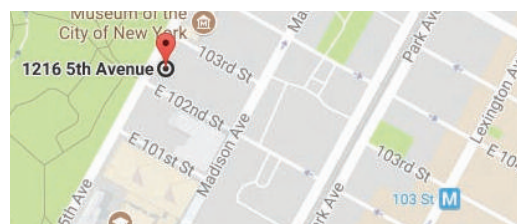

Meeting Location

The New York Academy of Medicine
1216 Fifth Avenue | New York, NY 10029

The New York Academy of Medicine is located at the corner of Fifth Avenue and 103rd Street. Enter from 103rd Street.

Directions & Travel

Conference Registration Fees

Early Registration by October 31, 2018

If postmarked, faxed or emailed by 10/31/2018

MD: \$115 | PAs, Nurses, Other Allied Health Professionals: \$50
Residents, Fellows, Students: \$25

Registration after October 31, 2018

MDs: \$150 | PAs, Nurses, Other Allied Health Professionals: \$75
Residents, Fellows, Students: \$50

Cancellation Policy

Refunds will be given when requested in writing and submitted on or before November 19, 2018 to cbrower@kidneyurology.org.

No refunds will be considered after this date.

Hotel Accommodations

A limited number of rooms are reserved for meeting attendees at a special group rate starting at \$295 [plus applicable taxes] at The Lucerne Hotel, 201 West 79th Street, New York, NY 10024. To make your reservation, please call The Lucerne Hotel Reservations at 800-492-8122 or 212-875-1000, or email reservations@thelucernehotel.com. Please reference group name **Kidney and Lupus Conference** and number **258950**. All calls or emails must be received by October 29, 2018 to guarantee this rate.

Special Needs and Additional Information

For questions, special dietary or mobility needs, please call Carol Brower, KUFA Program Director **732.866.4444** or email cbrower@kidneyurology.org

CREDIT DESIGNATION Albert Einstein College of Medicine designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

NURSING This activity has been submitted to Montefiore Medical Center/Montefiore Learning Network for approval to award nursing contact hours. The Montefiore Learning Network is an approved provider of continuing nursing education by the American Nurses Credentialing Center.

SATISFACTORY COMPLETION Learners must complete an evaluation form to receive a certificate of completion.

PROGRAM SCHEDULE

- 7:30-8:30am Registration & Continental Breakfast**
- 8:30-8:40am Greetings: Program Overview and Opening remarks**
Beatrice Goilav, MD
Beth Gottlieb, MD
- 8:40-9:25am Top 10 Discoveries in SLE Basic Mechanisms in the Last 10 Years**
Chandra Mohan, MD, PhD
- 9:25-10:10am Advances in LN Biomarkers and Tissue Molecular Profiling - Ready for Primetime?**
Chaim Putterman, MD
- 10:10-10:25am Mid-Morning Break**
- 10:25-11:10am Current and Future Treatments in LN - Is there a Good Time to Stop Treatment?**
Brad H. Rovin MD, FACP, FASN
- 11:10-11:55am When to Do a Kidney Biopsy in Lupus Patients and Understanding Activity and Chronicity Scores**
Surya V. Seshan, MD
- 11:55-12:45pm Lunch and 20-Minute Presentation: Development and Impact of CARRA Consensus Treatment Plans**
Yukiko Kimura, MD
- 12:45-1:30pm SLE and Pregnancy - Maternal Antibodies and Their Effects on the Newborn**
Jill Buyon, MD
- 1:30-2:15pm Childhood SLE - Not Just Small Adult SLE**
Beth Gottlieb, MD
- 2:15-3:00pm CKD and ESRD in SLE - Should We Pay More Attention to the Autoantibody Profile of the Patient?**
Anna Broder, MD
- 3:00-3:45pm Kidney Transplant Outcomes in Recipients with Lupus**
Thangamani Muthukumar, MD
- 3:45-4:05pm Helping Lupus Families Navigate the Transition from Pediatric to Adult Care**
Jillian A. Rose, LCSW, MPH
- 4:05-4:10pm CME/CE & Closing Remarks**

REGISTRATION

The Life Course of Lupus From Birth to Adulthood with Lessons Learned from the Bench Friday, November 30, 2018

Registration

- Online: www.kidneyurology.org/lupus
- By Phone: 212.629.9770 / 732.866.4444
- By Fax: 212.629.5652 / 732.866.8408
- By Mail: Kidney & Urology Foundation of America
63 West Main Street, Suite G
Freehold, NJ 07728
Attention: Lupus Conference

Conference Registration Fees

Early Registration by Wednesday, October 31, 2018

- MDs: \$150, or \$115 postmarked, faxed or emailed by 10/31/2018
- PAs, Nurses, Other Allied Health Professionals: \$75, or \$50 postmarked, faxed or emailed by 10/31/2018
- Residents, Fellows, Students: \$50, or \$25 postmarked, faxed or emailed by 10/31/2018
